To Whom It May Concern:

This letter is to state that CCTI, Inc. and Mr. Joe Crews are members in good standing of the Safety and Health Council of North Carolina. Mr. Crews attends, participates and exhibits at the Annual NC Safety & Health Congress held in Charlotte, NC. Mr. Crews and CCTI, Inc. continually contribute to the Council by through providing training segments during the Congress breakout sessions. CCTI, Inc. has presented two (2) Crane and Hoist Operator training courses at our facility in Charlotte, NC and Raleigh, NC for the benefit of our members.

Additionally, we have utilized Mr. Crews' expertise as a subject matter expert in the safe workplace operation of cranes and hoists. Joe has provided Powerpoint presentations, manuals, and pictures to assist in developing the 1/2 day hour crane and hoist training program the Council currently offers.

Joe Crews currently holds the Manager of Environmental Safety and Health (MESH) certificate, Forklift Instructor, and OSHA Outreach Instructor credentials through the Safety and Health Council of North Carolina. CCTI, Inc. assists and promotes in membership growth through referrals and referencing the two facilities in North Carolina and National Safety Council located in Illinois.

CCTI, Inc. is a valued partner in strongly supporting our non-profit mission to reduce accidents and health hazards through education and training.

Sincerely,
